TO: Music Instructor – private or school

FROM: James G. Daugherty, Director  
Cannon Music Camp -Appalachian State University

RE: Music Referral Form

Cannon Music Camp, at the Hayes School of Music, is a three-week comprehensive summer music experience held on the campus of Appalachian State University.

During the 3 weeks, each student has the opportunity to explore music and music performance at the college preparatory level. As one of approximately 200 campers, each student follows an intense daily schedule of classroom, ensemble, and individual instruction while interacting with other students whose interests and talents are similar.

**This student is petitioning you to provide a music referral on his/her behalf.** Our requirements are: Students play at Grade Level IV performance: Most students are level IV if they have completed courses, relevant skills and played for 1-2 years in their school band, orchestra or choir. Each student should be able to read music and take a theory class.

As a part of this recommendation, I am asking you to consider the following characteristics possessed by the applicant: character, (maturity, responsibility, ability to accept constructive criticism, interpersonal skills, etc.), citizenship (ability to follow directions, abide by regulations, respect the rights and properties of others, etc.), scholastic achievement, and musical achievement. Cannon Music Camp is not soliciting a “blanket” endorsement but is seeking candid and concise statements in an effort to screen and accept those students whose personal integrity and musical talent is of the highest caliber and who can contribute to and benefit from a three-week comprehensive musical experience.

Sincerely,

James G. Daugherty  
Director, Cannon Music Camp

Please submit your recommendation on PAGE 2 of this letter to our Camp office
