

CANNON MUSIC CAMP CODE OF CONDUCT FORM

REQUIRED AT REGISTRATION

Dear Cannon Music Camper and Parent/Guardian:

Prior to this point, you and your parent/guardian have read several pieces of correspondence that have emphasized Cannon Music Camp's mission for attracting talented and dedicated young musicians and providing them with a comprehensive and meaningful summer music experience.

You have been made aware of the personal characteristics that are sought from each camper as well as those characteristics that are simply undesirable and unacceptable. We are pleased to confirm; recommendations and references have been positive and supportive of your participation at Cannon Music Camp.

The Camper Handbook has been provided to more clearly detail our camp policies and expectations. Our policies and expectations are designed for your protection, well-being, and musical growth. We assure that you will have adequate time for individual practice, recreation, and establishing positive relationships with your fellow campers, instructors, and staff.

Parents/guardians must acknowledge they have read the Camper Handbook. **Please sign the acknowledgment below and bring it with you to registration. Do not return to the office prior to camp. Your registration will not be complete until fully signed by both parties.**

Additionally, we would like permission to take/use your photo image during camp participation for our camp photo archives and publicity which may include use on our website and in social media such as Facebook, Instagram, Twitter, etc. Our photos demonstrate the experience of a typical camper.

Should you have additional questions, please contact the Cannon Music Camp office.
