Intermediate Piano Class: Intermediate piano students must have at least 2 years of private study prior to camp (although exceptions may be made). Intermediate Piano will introduce skills that will be helpful to instrumentalists and vocalists: harmonization (putting chords with a melody), transposition, improvising melodies to play over existing chords, sight-reading, and playing.

Intermediate Students should demonstrate a familiarity with the following:

- Ability to locate most notes in the correct octave on the keyboard
- Reading easily from the Grand Staff (treble & bass clefs bracketed together)
- Playing chords (2-3 notes together in the same hand) underneath a melody
- Playing outside the 5-finger position
- Playing in various keys

Several sections of each class will be offered, with each camper participating in 2 classes per week for the 3 weeks. Each class size is limited to 12 students.
